Nursing Accreditation
Winthrop-University Hospital is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
6.5 contact hours will be awarded.

Accredited status does not imply endorsement by NJSNA, Winthrop University Hospital or ANCC of any commercial products or services.
Statement of Purpose
The 29th Annual Perinatal Conference will present a variety of topics impacting the daily practices of the OB and Neonatal nurse today. The planning committee has selected topics based on suggestions from attendees at our previous conferences as well as topics that provide clinically current information on the nursing aspects of perinatal care. There is an increased awareness of the need for nursing education and empowering nurses to apply evidence based practice to improve perinatal outcomes and women’s health. This year’s presentations will address neonatal pain, legal aspects of nursing, perinatal mood disorders, diabetes in pregnancy and nutrition.

Target Audience
- OB/GYN Nurses
- NICU Nurses
- Community Health Nurses
- Advanced Practice Nurses

Objectives
- Discuss the concept behind the earthquake assessment model to identify women at risk for perinatal mood disorders
- Identify potential liability in the perinatal setting
- Discuss the barriers and benefits of breastfeeding with an emphasis on benefits to the overweight/obese woman and her child.
- Discuss the effects of Postpartum Depression on Breastfeeding
- Recognize pain in the neonate and identify methods of pain relief
- Describe potential etiologies and treatment strategies for post traumatic stress disorder related to birth trauma
- Understand the impact of pregnancy on diabetes as opposed to the impact of diabetes on pregnancy

No commercial support was received for this educational activity.

Faculty Disclosure
It is the policy of Winthrop University Hospital to adhere to ACCME, NJSHA and ANCC accreditation requirements, policies and Standards for Commercial Support in order to ensure content validity, fair balance, independence, objectivity and scientific rigor in all its sponsored programs. All faculty, planners, and authors of educational content, who participate in sponsored programs, must disclose to the audience any potential, apparent or real conflicts of interest related to their contribution to the activity, as well as any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All faculty disclosures will be made at the time of the activity. Please call Robert D’Antuono, MHA, Director of CME at 516-663-2521 to express any concerns. At the time of brochure printing this program had not received grant support from a commercial sponsor(s).
