

Thank you for your interest in providing support groups for women with perinatal mood and anxiety disorders and being an important part of the Perinatal Mood and Anxiety Disorders Safety Net.

The Postpartum Resource Center of New York's *Circle of Caring Pregnancy and Postpartum Depression/Anxiety Support Group Program* advanced training of two 8 hour sessions will be hosted on Tuesday, June 11th and Wednesday, June 12th, 2019 at the Village of Islandia Town Hall, 1100 Old Nichols Road, Islandia, NY 11749. The training is for the community agencies/ health centers and supporters who are interested in offering the Postpartum Resource Center of New York's *Circle of Caring Pregnancy and Postpartum Depression Support Groups*.

The *Circle of Caring Pregnancy and Postpartum Depression Support Group Program* is an 8 to 12 session program providing emotional support, psycho-education and coping tools for empowerment for women and families experiencing a perinatal mood and anxiety disorder.

Please Note: This course has been approved by *Postpartum Support International (PSI)* as an advanced 3rd day training towards Certification in the Affiliated track for PSI's Perinatal Mental Health Certification.

The Training objectives include:

Experienced Group Facilitators to gain knowledge and understanding of perinatal mood and anxiety disorders and to gain knowledge of the *Circle of Caring Support Group Program* in order to offer a support group to the community they serve.

For Group Facilitators to gain understanding and knowledge of program set up and implementation to provide the *Circle of Caring Support Group Program* in their community by reviewing and practicing the *Circle of Caring* curriculum. Includes review of program set-up, publicity, weekly curriculum, printed and video materials and resources.

To Register: Complete and return with payment the following Registration Form. If you have any questions, please let us know.

Sincerely,

Sonia Murdock
Executive Director
